Super Lawyers names Southern California's top lawyers as chosen by their peers and through the independent research of Law & Politics. The list of 2006 Southern California Super Lawyers is based on surveys of more than 65,000 lawyers across Los Angeles and Orange counties. The goal was to select as Super Lawyers the top 5 percent of Southern California attorneys in more than 60 practice areas. The list of Southern California Super Lawyers is published annually in the February issues of *Los Angeles* magazine and *Southern California Super Lawyers*, which is mailed to every attorney in Southern California.
